Re: United States v. Parnas, et. al., 19-cr-725 (JPO)

Dear Judge Oetken:

We write to request that Mr. Parnas's terms of pre-trial supervision be modified to remove his curfew restrictions, while maintaining constant GPS monitoring of his location.

Neither the Government nor Pre-Trial Services opposes this application.

Thank you for consideration of this application.

Granted. The curfew component of Mr.
Parnas' bail conditions is hereby removed.
So ordered.
